WEB

DESIGNER

TOM CONROY

DEVELOPER

## Objective

To obtain an engaging position where my passion for elegant, intuitive & cutting-edge user experiences can be utilized.  
To work in an environment that fosters creativity & provides opportunities to grow my knowledge as a web developer.

## Education

**B.S., New Media Interactive Development** | Rochester Institute of Technology, Rochester, NY  
*Expected December, 2014*

## Experience

**Web Developer** | R.I.T Department of Assessment, Research & Technological Services  
*August 2013 - Present*

Maintained sites & web apps used by students & faculty at the Rochester Institute of Technology. Participated in the planning, designing and development of new web projects utilizing modern web technologies (HTML5, CSS3), jQuery, and responsive design. Heavy PHP webapp focus.

**Web Development Intern** | Datto, Inc., Norwalk, CT  
*August 2012 - November 2012*

Worked as front-end developer on a small team re-developing all client facing pages for Datto, Inc.

**Web Project Specialist** | R.I.T College of Applied Sciences & Technology, Rochester, NY  
*April 2012 - August 2012*

Assisted with various web-based projects, page modernization, PHP refactoring, content updates.
